BILLY McHAN

In Memoriam

"Sunset And Evening Star. . ."

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea...

Alfred Lord Tennyson

Dedication

Because of your teachings, your interest in us,
your guidance, and your friendship, we the Staff

Class History

In the fall of 1956, we entered high school as "green" and slightly ignorant Freshmen. We were all looked down on by the upperclassmen and we began to feel like children being trampled under everyone's feet. Through the guidance of our homeroom teachers--Mr. Price, Mr. Brooks, Mr. DeHart, Mr. Jones, Mrs. Brintnall, Mr. Womick--we finally started on the right road. The memory of Mr. DeHart and his English words will never fade. And we are sure that no one will ever forget the Freshman party.

Much joy filled our hearts in the fall of 1957 when we became Sophomores. Now we looked down on the Freshmen. That year we had a division in the lunchroom line which helped to speed up things. In the spring of 1958 we had the "popular" plant project for biology and also the memorable Sophomore party at Deep Creek.

In our Junior year we rejoiced very much over our float winning first prize in the Homecoming parade. During this year our basketball team went to Durham for the state play-off, and also our band had a special invitation to participate in the color day at Duke. We had the task of preparing the Junior-Senior Prom. To some it was, indeed, a great task.

On August 28, 1959, WE WERE SENIORS. Now we were tops! We looked down on everyone (except the teachers). This year we were under a new principal--Mr. Jerry Rice--of Marshall. Many changes were made: hall monitors, chapel every other week, club meetings every other week, no second bell for classes, etc. For the first time in seven years we had a "female" Student Government president. Everyone rejoiced our victory over arch-rival Sylva. Our rings, Washington trip, Senior play and Senior Prom were events everyone looked forward to. But the highlight was our graduation. We thought of graduation, not as a "finish," but as the beginning of our careers.

Respectfully submitted,

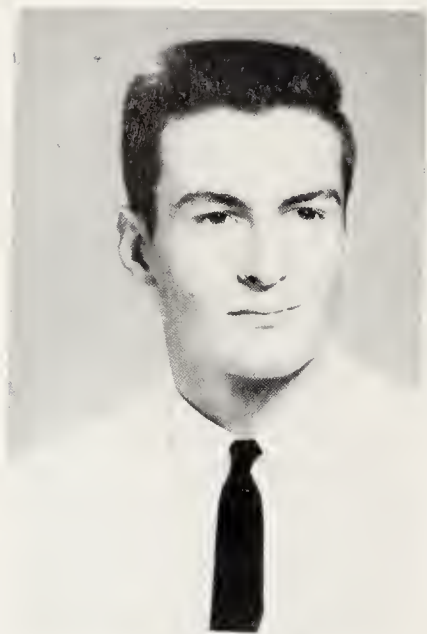

ANN NELSON
JOHNNY ESTES
BETSY BRYSON

Les etudiants etudent dans la classe francaise.

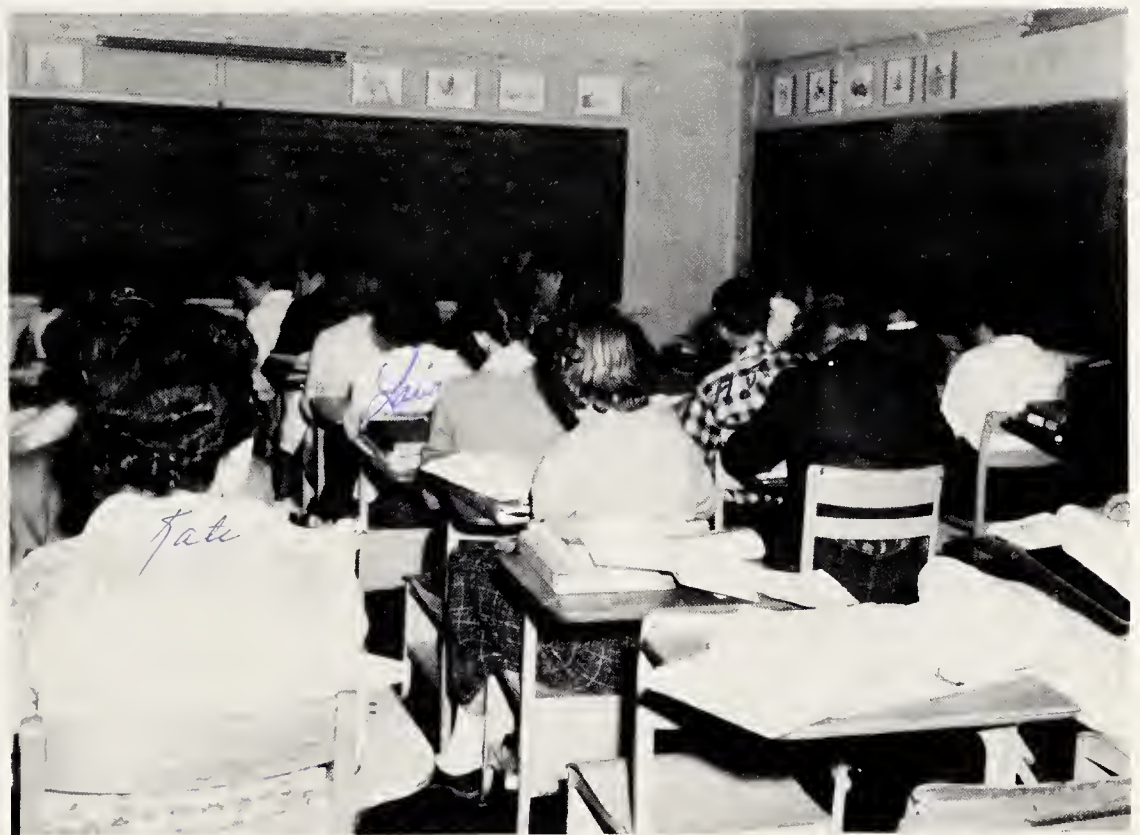

Classroom

A hard-working Chemistry class trying to remember valences, balancing of equations, and forget a trip to Oak Ridge, Tennessee.

Mrs. Barnett driving home an important fact to a confused and bewildered class.

The Juniors

Passing history exams, and the big event of the year—the Junior-Senior Prom, and last but certainly not least, the dream of being Seniors next year.

Familiar

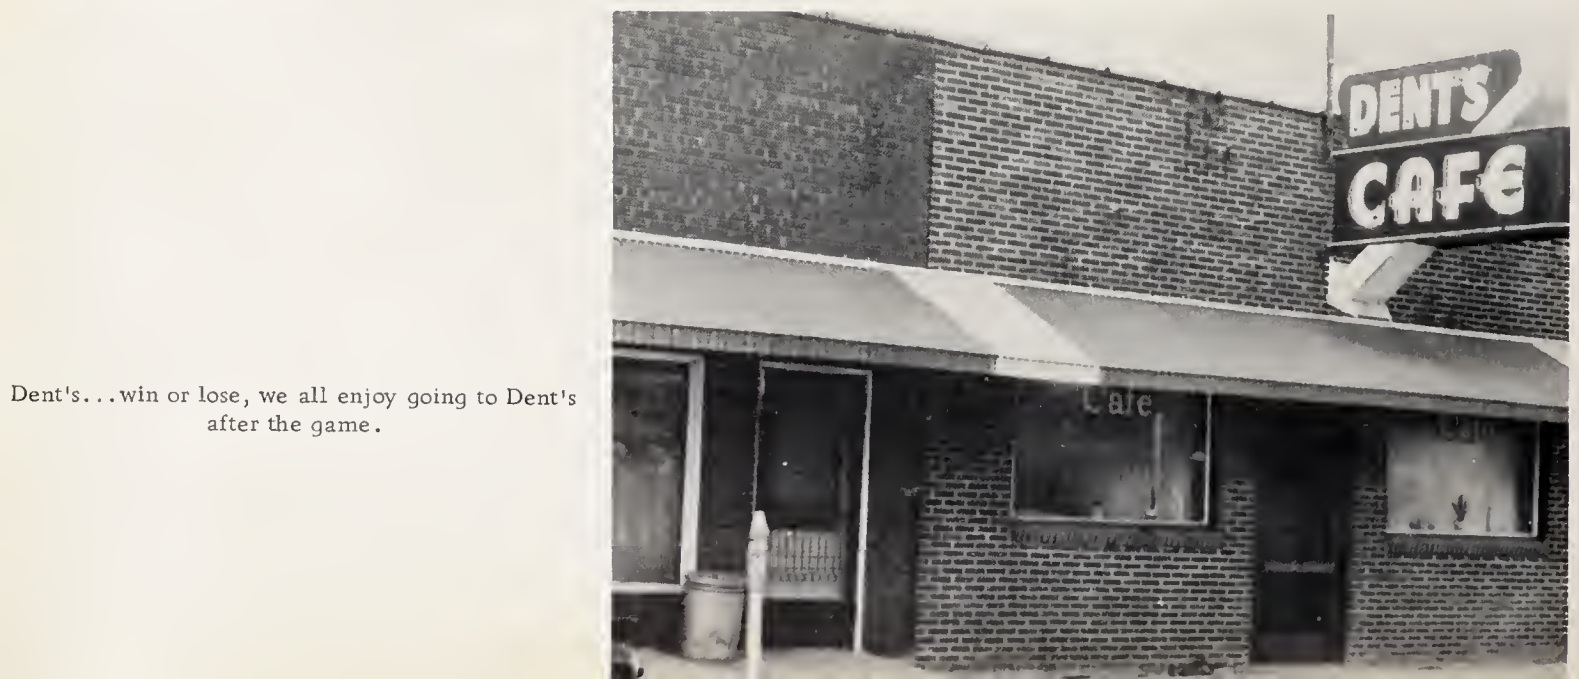

Bennett's...a friendly gathering place for all during after-school hours.

Places

Neighbor's...On an important date, or with "The Gang," we always pause at Neighbor's for a bite to eat and something to drink.

Dent's...win or lose, we all enjoy going to Dent's after the game.

The Activities

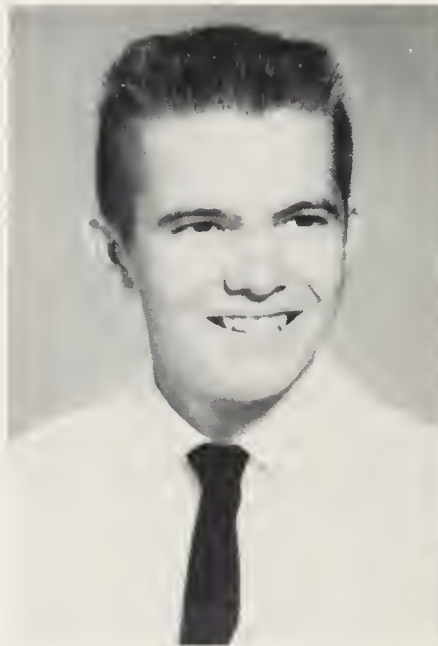

Making new friends and renewing old friendships in our
many activities and clubs.
